

Direct Deposit Agreement

Wellness Pointe is pleased to offer you a new payday convenience – Direct Deposit. Now you can have your paycheck automatically deposited into your checking or savings account on payday. Direct Deposit is safe, convenient and easy while eliminating the possibility of lost, stolen, or forged checks. You do not even have to change your present banking relationship!

Here's how direct deposit works:

The first payday after setup, you receive an actual check and your accounts will be verified through the Direct Deposit System. After account approvals, on payday you will receive a direct deposit voucher showing gross pay, taxes, other deductions and net pay and your money will be deposited into your account(s). The amount of your deposits will appear on your bank statement as well.

Please fill out the below information and attach a voided check or bank information card for each account listed.

NO DEPOSIT SLIPS, PLEASE.

Employee's Authorization – Please fill out and return to your employer.

I authorize my employer and the financial institution(s) listed below to initiate electronic credit entries and, if necessary, debit entries and adjustments for any credit entries which were incompletely funded by my employer or for any credit entries otherwise in error to the listed accounts each payday. This authority will remain in effect, until I cancel in writing.
